Solutions

Department of Workforce Services

business.utah.gov

DESCRIPTION

The Web site, **business.utah.gov** is your source for doing business in Utah. It is a combined effort of federal, state and local government to put in one place on the internet resources and information that businesses need to be successful and compliant with government code.

FEATURES INCLUDE:

One Stop Business Registration:

The fastest and easiest way to register your business in Utah. One place. One process. No lines. No problem. By using this system you will be able to register your business with the Internal Revenue Service, the Utah State Tax Commission, the Utah Labor Commission, the Utah Department of Commerce, the Utah Department of Workforce Services and the Utah Department of Environmental Quality, and, once completed you will receive all of the necessary licenses and account numbers in one place.

Starting a Business:

Thinking of starting a business but don't know how? Use the links to find the tools necessary to get your business up and running. Learn how to assess your business idea, prepare a written business plan, and develop a structure for your business. The links also include information on government business requirements, counseling, training, and other entrepreneurial resources.

Running a Business:

Okay, so now that you've started your business how do you keep it going and going and going? This section provides a number of resources on how to run a business. Find information on human and financial resources for businesses, government business requirements, statistics from the Bureau of Economic and Business Research, and more.

Relocating a Business:

Are you interested in moving a business to Utah but don't know how? Still need a little convincing that this is the place for your business? These links will show you what you need to know in order to relocate to Utah.

Closing a Business:

Is your business closing? Is its legal status changing? This section offers a wide array of resources for both closing businesses and businesses whose legal status has changed. Find out what you need to do in order to terminate operations, including information on what licensing and regulation requirements must be met. This section also provides links to a number of counseling and other human resource sites.

Other Features Include:

One click links to on-line resources, and up to the minute Utah business news!
